On behalf of the students, parents and staff, thank you for your continued support of Christ the Teacher Catholic School. We are planning our largest fundraiser, the annual "Mardi Gras" event, including: live and silent auction, entertainment, catered dinner, live music and dancing on February 22nd, 2020 at Queen Gym on the Holy Family Campus.

Mardi Gras is a special evening to celebrate our school and the proceeds from this event make up nearly one-half of our fundraising for the year. Those funds support academics, the arts, athletics, and scholarship needs. Last year, this fundraiser helped to raise funds for our STREAM program (Science, Technology, Religion, Engineering, Arts, Math) and scholarship money. As our school is growing, we are focusing on our classroom programs and continued scholarship assistance for current and future students. Your support will continue our tradition of excellence in education.

As part of the rich heritage of agricultural & arts families in the Yakima Valley we are hoping to implement a partnership with local businesses to help increase education of our lustrous valley. We hope these partnerships will nurture our students, making lasting impressions that will carry them into adulthood and leadership in our community. We are looking for local partners to help with each portion of our program. We invite you to showcase your business and your commitment to our community with a Business Sponsorship or donation.

Here is how YOU can help:

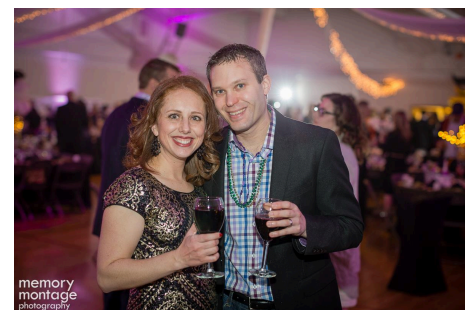

\*Become a CTCS Partner by making a Business Sponsorship donation. We are happy to meet with you to discuss our plans in further detail, as well as, the perks of becoming a CTCS Business Partner. If interested please contact [PDO@CTCSYakima.org](mailto:PDO@CTCSYakima.org) or call 509.574.5604

\*Purchase a Sponsorship to our School Fundraiser; Mardi Gras. We are planning a fabulous event and would love you and your guests to be there. We offer different levels of sponsorship, each of which are accompanied with tickets to the event.

On behalf of our students, we thank you for your generosity and commitment to the future of this community!
